

### **Cancer Care Spiritual Support**

I facilitate a Cancer Care Spiritual Support group in Northwest Indiana. From a Spiritual viewpoint I am providing hope, compassion, love, encouragement and support while on the journey through cancer. This allows family, friends and caregivers to participate in the overall care.

This is based on my personal experience with breast cancer and the actions I took mentally, spiritually, physically and emotionally to work through the causes and effects of cancer and the accompanying treatment. My background in traditional medicine, holistic education and training assisted in my journey and recovery from cancer. I have taken additional training at the Cancer Treatment Center of America for Our Journey of Hope.

## Spiritual Laws, Theories and Practices

Spiritual Laws studies include subjects such as Prosperity, Abundance, Cause and Effect, Spiritual Patterns, The Four Agreements and other topics related to the books and teachings of many spirituality and empowerment authors.

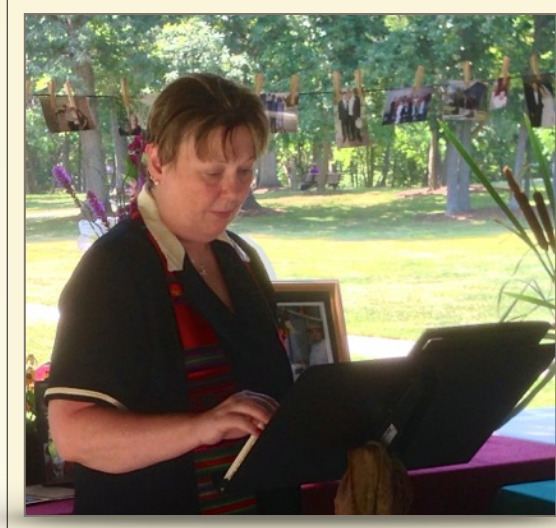

These are inspirations to those facing life challenges, obstacles or health crises.

Spiritual laws include:

- Law of Attraction
- Law of Abundance
- Law of Nature
- Law of Karma

These topics and others can be customized to your specific request by formatting as a Workshop, Keynote Speech, or as a foundation for implementing your own group. Additionally, they can be presented to private groups, organizations, community events, etc.

## Celebration of Life

Celebration of Life ceremonies are a fast-growing alternative to traditional funeral services. The ceremony is intended to celebrate the life and legacy of the loved one who has transitioned. Family and friends typically have an active role in the ceremony, often relating stories and personal memories of their loved one. Videos, photos, music and poems are often included in the ceremony along with scripture and spiritual references.

Celebrations may include balloon releases, tree planting, candle lighting and picnics. Locations may be based on a favorite place of the loved one, such as homes, parks, lakes, community centers, banquet halls, etc.
